

01:53:19 - 01:56:23 No food, no medicine, no mobile network.

01:56:23 - 02:01:23 Supplies in the Ukrainian city of Mariupol are getting worse every day because of the war.

02:02:04 - 02:04:22 It is uncertain when the residents can finally be evacuated.

02:05:21 - 02:12:05 There is no streets left without broken windows, destroyed apartments or houses, Ukrainian authorities said.

02:12:05 - 02:16:07 The city is a crucial sea port and university city.

02:16:08 - 02:25:04 If Russia were to conquer Mariupol, it would have created a land link to Crimea, which it has occupied since 2014.

02:27:02 - 02:31:11 Those were all the news for now and we continue with weather forecast.

03:06:09 - 03:22:02 National anthem of Russian Empire "God Save the Tsar" is playing

04:09:09 - 04:11:04 Hello

04:14:07 - 04:18:03 Yes. Yes, I arrived, it's alright.

04:18:03 - 04:23:06 A lot of people, we literally sat on each other... but whatever, how are you?

04:24:02 - 04:27:19 What's at home now?

04:38:00 - 04:43:08 But what about you, how are you doing?

04:54:08 - 04:59:06 It will all go exactly how you tune yourself.

04:59:09 - 05:06:03 You can freeze in a fear or continue living your happy normal life.

05:08:22 - 05:13:19 Why should I escape? God protects me.

05:15:05 - 05:18:02 I got even used to these sirens.

05:18:09 - 05:21:06 Windows are open, they are howling somewhere...

05:24:05 - 05:27:05 and I just sleep.

05:38:21 - 05:43:15 Mom, you're going to the bomb shelter as we agreed, right? You've got one at your work, right?..

05:43:15 - 05:48:03 Masha, what shelter, come on. No one goes there anyone.

05:48:03 - 05:49:03 Mom!

05:49:03 - 05:51:15 It's only irritating that the shops close during the alarms.

05:51:15 - 05:55:07 Please go to the bomb shelter, you never know when it actually hits.

05:55:07 - 06:03:14 Stop it, Masha. Relax. And try to redirect your energy on settling down.

06:03:14 - 06:07:14 And send me photos from Berlin where you smile!

06:08:08 - 06:10:06 Fuck...

06:10:06 - 06:13:10 ...alright, I'll call you later. Here it starts again.

06:13:10 - 06:14:22 Ok, bye.

06:13:10 - 06:14:22 Oh sorry for being late. This crazy transport...

06:42:05 - 06:45:23 It's ok. Welcome to your new home!

06:49:22 - 06:51:14 Oh boy

06:59:08 - 07:07:16 Not a royal apartment of course, but perfect for its price. Easy to heat, calm neighbors...

07:07:17 - 07:09:16 Where did you say you're from?

07:09:16 - 07:11:11 Ukraine

07:11:11 - 07:15:17 Aha. But you came like before, like earlier... right?

07:15:17 - 07:18:13 No, just now

07:19:15 - 07:21:18 Sorry...

07:23:09 - 07:32:08 Hey, listen I can't talk now. I'll call you back in half an hour, alright?

07:33:04 - 07:38:20 No, I haven't checked the news yet. What's going on there?

07:40:21 - 07:48:02 Yes, I'm just watching an apartment right at the moment. A bit later. Yeah, ok, bye.

08:03:06 - 08:06:03 And when is it free to move in?

08:06:03 - 08:08:23 As fast as we fix all of our questions.

08:14:01 - 08:18:14 I followed the news at the beginning. But then it was too much for me.

08:19:04 - 08:22:16 Well it's still going despite you follow it or not.

08:23:12 - 08:27:16 But it's a lot to take. I know.

08:33:11 - 08:38:01 For sure it's still going on. Look how many refugees are here now!

08:43:05 - 08:46:22 I wonder how our economy is still carrying on!

08:48:10 - 08:51:12 And what is your suggestion for the people then?

08:51:12 - 08:59:06 Sometimes you have to lose a little bit to the stronger one not to lose everything completely. As easy as that.

08:59:12 - 09:01:17 And you'd be home again.

09:07:15 - 09:10:12 That doesn't sound like home.

09:10:12 - 09:13:12 I'll be going.

10:07:09 - 10:14:04 Ira, here. Sign this. And also refill that and fix those bottles and then cut the lemons.

10:14:04 - 10:16:08 Okay, sure.

10:16:16 - 10:17:23 Thank you

10:43:20 - 10:46:10 I'm alright. How're you?

10:48:05 - 10:53:24 Well, they hit the Izium direction with artillery hard and yesterday dropped minimum 2 charges of sarin on Mariupol.

10:53:24 - 10:56:03 Plus the mobility all time long...

10:57:19 - 11:01:16 It won't last forever, you know. Just a little more.

11:02:09 - 11:07:09 It's hard to believe that they won't start it all again in 2-4 years.

11:07:18 - 11:13:06 And I guess after we get to know the real numbers of our lost there'll be a shift in the society's perception.

11:13:08 - 11:20:18 From "fight for Ukraine, for it's freedom" to "what was it all for and was it even worth it"...

11:20:18 - 11:22:19 Doesn't look like "a little more».

11:22:19 - 11:26:07 Hell yeah, we'll definitely all go through a massive national depression.

11:34:05 - 11:37:18 So are you there for a long time?

11:37:21 - 11:47:16 Until February for sure and then we'll see. I'm not sure how to go back with all this... baggage.

11:49:04 - 11:54:05 Listen, I've got a question. But maybe I shouldn't...

11:58:03 - 11:59:17 Go for it

12:07:10 - 12:11:15 Have you killed anyone until now?

12:12:16 - 12:22:07 Yeah, that happened. Weird, but it wasn't like in a movie: sweaty face, your finger's dancing on a gun trigger... no.

12:22:07 - 12:32:04 It's all clear: either you hit him or he hits you. And you better don't think too long.

12:35:16 - 12:45:00 Nah, It's not as scary as you think. Such a clearness in your head, like after drugs you know.

12:45:00 - 12:49:21 But it's all not euphoric... more obvious.

12:51:08 - 12:53:01 You just...

12:53:01 - 12:54:18 What?

13:07:21 - 13:16:19 Don't you dare to die for the mother-Ukraine. Don't want to write those crying texts about how fucking amazing you were.

13:16:19 - 13:18:20 No, I'm not planning to.

13:19:06 - 13:23:07 Alright, I need to leave. I'll text you later.
