

## Yellow's Dialog

-howdy, how are you? listen, the weather is horrible here and my flight schedule has changed. I will not be arriving tonight. I wanted to let you know not to come to the airport.

-Fuck this chance

-Thus far, you've been lucky

- very lucky!

-your taste is not bad. where were you going?

-I was going to the airport

-Does that mean you're no longer going?

-canceled

-where did she alone go that you were going to welcome her?

-it was first time wanting to meet her is similar to these long-distance relationships.

-that's bullshit

-Long-Distance relationships?

-flower, long-distance relationships, this song you're listening to all of it. Maybe she had bailed on you

-what should I do now?

-Heads or Tails? Heads, you are quite lucky. Maybe she will come later

-Heads or Tails?
