00:00:24,833 -- 00:00:25,833

SONIA

I'm sorry

00:00:25,833 -- 00:00:30,066

LI BAI

When you laugh I want to laugh, too, you know?

00:00:30,066 -- 00:00:38,000

SONIA

I'm sorry. I just cannot take you so seriously. But it wasn't that bad.

00:00:40,800 -- 00:00:52,766

LI BAI

Sometimes the wrong choices bring us to the right...right places....By the way, do you think  
the audition will go well?

00:00:53,100 -- 00:00:58,133

SONIA

Hmm, I don't know. But, don't worry about that, who knows.

7

00:01:03,000 -- 00:01:05,733

AN EMPLOYEE

What are you doing there? Back to work!

00:02:07,700 -- 00:02:09,233

LI BAI

How was your rest on the plane?

00:02:09,233 -- 00:03:20,233

KE YU

Not Bad. The person sitting next to me on the plane was from Qingtian. He said he has been doing business in Budapest for many years. But his child is in China. I asked him why he didn't bring his child with him. He said he was too busy making money. When the child grows up, he will come here to attend high school. I think it works. The pressure isn't that great to go to school.

[Unlocking sound]

Alright, the snacks, seasoning...And the white fungus your dad bought There are still some left from the last delivery.

00:03:26,766 -- 00:03:31,766

LI BAI

Mom, actually you don't need to bring these. Chinese stores here sell it.

00:03:31,766 -- 00:03:35,266

KE YU

It's more expensive here than in China.

00:03:37,666 -- 00:03:38,966

LI BAI

Not that much.

[Bring the glass]

00:03:38,966 -- 00:04:01,900

KE YU

Thanks. What time is it in China now? It's early morning. Your dad must be asleep.

[Take a photo]

Send it to your dad

00:04:18,166 -- 00:04:38,433

KE YU

You have to believe that, it is very promising in the future. Now is the Internet age. As long as we doing good of online publicity, I believe there will be no problem. Alright, then that's good. Let's talk later.

00:04:52,666 -- 00:05:17,700

KE YU

The office is almost closed in China, right? I'm not in China these days, I came to Hungary to see my daughter. Yes, she has been studying there for many years. I haven't come to see her. Okay, okay, Mr. Liu, Let's meet after I go back. Ok, bye.

00:05:21,000 -- 00:05:23,300

LI BAI

When can you finish the phone call?

00:05:23,300 -- 00:05:25,566

KE YU

I have to finish these issues.

00:05:38,166 -- 00:05:51,333

KE YU

I'm gonna tidy up the fridge, ok?

[Open the fridge]

It's expired, I'm throwing it away

00:06:14,566 -- 00:06:17,200

LI BAI

Leave it here, you just have a rest

00:06:18,500 -- 00:06:21,933

KE YU

I can help you. You can continue to do your things.

00:07:24,166 -- 00:07:27,200

KE YU

Oh, I forgot to ask you. How's school going?

00:07:28,800 -- 00:07:32,633

LI BAI

The lessons are over. All that's left is the thesis and defense.

00:07:32,633 -- 00:07:34,666

KE YU

What about the internship?

00:07:34,666 -- 00:07:36,833

LI BAI

I've asked for leave.

00:07:36,833 -- 00:07:39,466

KE YU

Why did you ask for leave?

00:07:39,466 -- 00:07:42,733

LI BAI

Who will accompany you if I don't leave?

00:07:42,733 -- 00:07:48,900

KE YU

I'm just asking, but try to take less leave after you officially start working,

00:07:48,900 -- 00:07:50,566

LI BAI

not such serious.

00:07:52,100 -- 00:08:09,166

KE YU

Your father and Mr. Liu had dinner together some time ago. After you graduate and go back to China, go to their company. You take the time to prepare.

Like, when the interviewer asks you why you study abroad? why you study finance? How do you reply to that?

00:08:11,133 -- 00:08:14,300

LI BAI

We are not doing the interview now, ok?

00:08:15,733 -- 00:08:17,900

KE YU

Come, comb your hair.

00:08:17,900 -- 00:08:20,366

LI BAI

no, no, I do it by myself.

00:08:43,533 -- 00:08:45,433

LI BAI

Mom, I'm going out for a while.

00:08:45,866 -- 00:08:48,200

KE YU

Where are you going?

00:08:49,366 -- 00:08:50,500

LI BAI

Go meet my friend

00:08:51,200 -- 00:08:52,133

KE YU

a girl or a guy?

00:08:53,166 -- 00:08:54,100

LI BAI

a girl.

00:08:55,166 -- 00:09:00,400

KE YU

I come with you? I'm going to buy groceries anyway. I bought it on the way home.

00:09:01,400 -- 00:09:02,733

LI BAI

She is not Chinese.

00:09:04,066 -- 00:09:08,133

KE YU

Hmm, then, you go back early, Then, you go back early, take me to the grocery shop. I'll call you before I get back.

00:09:09,600 -- 00:09:10,400

LI BAI

Ok.

00:09:10,600 -- 00:09:11,333

KE YU

Here.

[KE YU GIVE ORANG TO LI BAI]

00:09:11,333 -- 00:09:13,066

LI BAI

I'm going out

00:09:13,066 -- 00:09:15,766

KE YU

Just two pieces. Hurry up

[SONIA FLIPPING THE TAROT CARD]

00:09:37,900 -- 00:09:39,066

LI BAI

What does it mean

00:09:40,133 -- 00:09:45,500

SONIA

well, um... I think Tarot was trying to say that...

00:09:45,933 -- 00:09:48,766

LI BAI

Should I go back to China or stay here

00:09:51,100 -- 00:10:00,766

SOBIA

I think it shows that you are challenging yourself and you are having a really big change right now.

00:10:01,700 -- 00:10:03,600

LI BAI

What do you think? Which one is better?

00:10:05,733 -- 00:10:14,600

SONIA

It doesn't show me which one is better, they're very different. Both paths are uneasy. That's what I felt

00:10:14,966 -- 00:10:18,333

LI BAI

Okay, so, seems there's no answer yeah?

00:10:18,366 -- 00:10:55,500

SONIA

It sometimes happens at all that the answer is unclear, that's why we can draw another card for you.

[CHOOSE THE CARD]

This is the "Justice" upright. I think the card is telling me that. what you're dealing with right now it's happened. Whatever choice you gonna make, it's all about making decisions now. Because now is your future. I don't know if it's helpful.

00:10:55,900 -- 00:10:59,666

LI BAI

So do you usually use Tarot to make a decision?

00:11:01,000 -- 00:11:02,933

SONIA

It depends on the situation really.

00:11:05,500 -- 00:11:07,533

LI BAI

So are you going back to Kazakhstan

00:11:08,166 -- 00:11:10,100

SONIA

Yeah, I decided that I have to go back

00:11:11,500 -- 00:11:15,000

LI BAI

Well, I didn't realize that you are leaving too

00:11:15,000 -- 00:11:27,733

SONIA

Yeah, I know. The thing is that there are no workplaces here and the place that I work at they don't offer me a full-time job. It's really hard to find a job in general as a foreigner

00:11:28,533 -- 00:11:31,133

LI BAI

Yeah, that's true.

00:11:33,000 -- 00:11:39,700

SONIA

what about you?

00:11:39,700--00:11:39,733

LI BAI

After my mom came

I really got confused you know

00:11:39,733 -- 00:11:42,300

SONIA

She wants you to go back?

00:11:42,300 -- 00:12:13,533

LI BAI

Kind of.

But this thing isn't only about my job. It's also about my family.

There's a Chinese story I've heard when I was a kid. When the baby crows are so young, they get fed by the crow's mother. After the baby crows grow up and they gonna feed the mom in the same way that the mom used to feed them.

00:12:13,533 -- 00:12:14,300

SONIA

Is it true?

00:12:14,733 -- 00:12:19,100

LI BAI

no, it's not true, but all the Chinese we all know the story

00:12:33,033 -- 00:12:35,800

KE YU

What did you talk about with your friend today?

00:12:35,800 -- 00:12:37,633

LI BAI

Nothing special.

00:12:37,633 -- 00:12:40,633

KE YU

Why do you seem so unhappy when you go home?

00:12:41,133 -- 00:12:47,100

LI BAI

She's going back to her country. Maybe it will be difficult to meet again in the future.

00:12:47,100 -- 00:13:04,600

KE YU

It's all like this. Life is stage by stage, people come and go

Here.

[KE YU Pass the orange to LI BAI]

In the end, only your family will be with you

00:13:12,966 -- 00:13:16,833

LI BAI

Mom, I want to try working here first

00:13:18,900 -- 00:13:30,566

KE YU

You don't plan to go back? Mr. Liu finally arranged a position for you. You just say you don't go. How will he think of our family?

00:13:30,566 -- 00:13:32,200

LI BAI

Why do I have to go back?

00:13:32,200 -- 00:13:38,800

KE YU

Why not? Why didn't speak up earlier if you have any thoughts?

00:13:39,633 -- 00:13:48,733

LI BAI

Is it useful for me to talk with you? I have been saying for more than ten years I don't like eating oranges. Did you hear me? If you like, you can eat it yourself.

00:13:49,600 -- 00:13:51,366

KE YU

You never understand what's good for you.

00:13:51,366 -- 00:13:54,366

LI BAI

I didn't.

00:13:55,433 -- 00:13:57,933

KE YU

I don't know what you want.

Tell me.

00:13:59,366 -- 00:14:06,533

LI BAI

Could you please stop asking me? I do not know right now

We won't be happy living together like this.

00:14:07,566 -- 00:14:16,900

KE YU

What is happiness? If you ask me whether a 30-year-old who still rents an apartment is happy or not? Is it happy if you are sick outside and no one takes care?

00:14:17,766 -- 00:14:21,966

LI BAI

I don't know. I want to make my own decision.

00:14:21,966 -- 00:14:39,000

KE YU

Sure, you all have your own thoughts.

Your father wanted to retire early, and you told me you don't want to go back I'm already exhausted from work every day. Why should I make decisions for you two?

You'll know when you have to make money!

00:15:40,066 -- 00:15:41,700

[Sound: Curtains drawn]

KE YU

Time to get up.

00:16:17,100 -- 00:16:39,666

LI BAI

Actually, what I said yesterday didn't mean I wouldn't go back. So, what did you think when you were my age?

00:17:25,666 -- 00:17:29,600

KE YU

Alright, I know how to get there. You don't need to come with me.

00:17:29,600 -- 00:17:30,900

LI BAI

The station is ahead and turn right

00:17:30,900 -- 00:17:33,233

KE YU

Ok, I'm gonna be late.

00:17:57,166 -- 00:18:29,133

LI BAI

No, Carl, I have to go I don't have any other options and we already tried and we thought we could make it, but at least we tried, right?

So please just don't think about the future and sorry I already made up my mind I'm really sorry, please take care, I'm sorry.

00:18:29,133 -- 00:18:33,200

INTERVIEWER

Okay, Thank you. So, now, can you introduce yourself?

00:18:33,666 -- 00:18:35,500

LI BAI

Yes, I'm Li Bai. I'm from China.

00:18:36,800 -- 00:18:39,566

INTERVIEWER

hmm from Hong Kong? Shanghai?

00:18:39,566 -- 00:18:43,100

LI BAI

Uh from Chengdu, Sichuan Chengdu
