

IN THE NAME OF GOD

BARRIER

It's been 4 years we are friend, but I was not able to wrap my hand around his business.

Tonight I've asked him his car but he double-cross told me It's been sold.

Are you for real?

I swear to god.

Thank God

Yeah, you're right!

At least they leave out bread and dried fruit

have you called the police?

There **is ni need.**

Why no?

That's all.

But you have to. The tape recorder isn't here.

They just come and do nothing in real.

Who said that?

But I do not agree.

Check and see what else is missing!

My bag, and almost everything I had!

What?

Helo sir

Hey what are you doing? Put the phone down.

Give it to me. Why do you invite us?

I asked? You go back, I don't want you to be in a trouble..

Me or you?

Come on guys, stop it.

He was going to stay here 4 days, but it's been a month!

Let go of me man.

You don't need bread?

My God! Car recording panel was in the car? How was better if they also find car license here, Ha?

And the fuel card and its code!

Why you are not in a cafe? Now how do you want to get there?

Really? Hi Kami.

How's everything? Look at here! He puts the recording panel in the dashboard to reduce Mr thief's burden!

Enough!

I don't mean nothing! But he has to know how much he is careless.

Yesterday you warned him be careful about the recorder, it's not good place to park his car. You tempt him.

How much negative energy you are spreading!

I don't know why from morning my phone is not working right? It's just busy for any incoming call. And it seems I blocked every one.

Why don't you do his number?

Did you call the cops?

No he didn't.

Hey man he's talking with me!

Excuse me, could you help me with my car. My car didn't start.

Check if the amp is getting power.

Yeah the electricity is current. But the car won't start.

Mr Danial you please come and push the car. Mohadese you no please.

Do you want me to start and you yourself push it?

I myself just have a knack of the clutch!

Keep straight to 2nd gear. Put the handbrake on.

Firstly be sure put your foot on the clutch.

I'm sorry I waste your time.

I told you put your foot later. Let the engine starts working. Now! Come on now push it!

Thank god. It starts! Thank you very much. Again I'm sorry.

Look, Bijan has gone.

Has gone?

Don't let the cat out of the bag. It was necessary!

Look at this. What's happened?

But I do nothing!

Have you had an accident?

Step aside madam. Where did you go with this car?

I just go to the previous square, I crossed another square. Then I get out of the car for a moment. Again I drove here.

Why did you get out of the car?

I've checked the battery!

Are you sure you're car had no problem from the beginning?

You yourself have told me to fix your car.

I've told you start the car, not driving over to another place.

Stay calm madam.

By the way you have to pay the compensation or maybe she agrees to let you go. Was it clear?

Maybe somebody else hits your car when it was at the parking lot?

Sir please, you judge! We just were going to help, but it seems I was wrong!

I fixed the car. Your car's battery is working well. So what is my fault here?

Yours? I gave you this car without any damage man!

Mam!

Yes sir. He has stolen my car and maybe he hit somebody or something and drove away without stopping or reporting the accident!

You asked for help. Did we do by force?

Ok stop it. Give the payment!

What are you talking about? Why should I pay for nothing?

Are you sure you had no accident?

No I had no crash before.

What's your deal?

You even have no control on yourself let alone the car!

Daniel please, stop the fucking discussion!

You shut up please. This car will spend 5 million Tomans to be repaired.

You know the cost!

Yes it is.

Yeah dude!

Ok. But you yourself haven't paid for about 4 months.

That's enough guys!

Shut up your mouth! I just respect his condition because you said he isn't well, and he needs our help.

You're trying to not pay the damage has been done. Now you're talking about the house rental?

If you were able to pay on time, he didn't need to ask me for money.

You tight fisted! Don't make me talk.

Ok say the fucking thing is in your heart.

Now I understand why your wife's left you!

Big up to you!

The person into the wireless (V.O): the graphite grey Peugeot 206- 67 and 766 Iran 40 is impounded.

Ok thanks. It was clear.

Where do you want to go?

If you don't mind I stay in the car?

Give the car switch to me.

And he has to pay the dowry.

So she is going to seize this car you are seeing.

Maybe you are trying to hide something!

Please, find him no guilty. He isn't at fault.

Are you sure?

Yes.

How do you know?

Trust me, I know it.

Leave it to me!

Excuse me, I'm going to complain to the police, how much does it take?

Look madam, we have to carry this car to the parking lot with a crane.

I was going to tell. But you would not accept to stay.

Ghanbady take both cars to the police station parking lot.

Why?

I came down stairs to help Danial with his car. You say the car's crash is my fault.

Ok madam I'll quietly pay the compensation but you should bear the blame!
