

The First Step Sub.

Timecode starts 10:00:00:00

10:00:19:04

What's making you smile like that?

10:00:21:23

Friends are just wishing me Happy Birthday.

10:00:26:00

Hey, congrats! You have a big party coming up?

10:00:30:20

No, nothing special. Yet.

10:00:37:12

Well, I could have one more pint to celebrate your birthday.

10:00:43:10

Okay, then.

10:01:11:16

What are you doing here? You came for a beer?

10:01:16:10

Annika...

10:01:16:21

Or do you want something stronger?

10:01:19:22

Happy Birthday.

10:01:21:00

No fucking way...

10:01:23:12

I've had such a difficult time...

10:01:25:01

Oh, you've had such a difficult time?

10:01:28:00

I didn't mean.

10:01:29:05

You know, I don't care what you meant. You missed my senior prom and you passed out at my graduation party.

10:01:39:12

Can we get stamps from this place?

10:01:47:05

Hey, can I get a stamp from a non-alcoholic beverage?

10:01:49:10

I want a beer!

10:01:51:05

I could have a coke. No, a sprite. No wait, a coke.

10:02:01:02

...you can't possibly know how I'm doing!

10:02:04:11

Should we order shots?

10:02:05:22

Yes! Absolutely!

10:02:10:00

Hey, how about that stamp?

10:02:11:20

Yeah, wait a second.

10:02:13:09

Is it this one? I can do it, where do I stamp?

10:02:17:02

Yeah, there.

10:02:18:10

Stop it, I don't need your help.

10:02:20:17

Let me help a little, I'm just going to...

10:02:23:24

I don't need you!

10:03:08:04

Yeah, it didn't go at all like I had planned. Yeah, I wasn't able to ask her.

10:03:20:12

Yes, I'm coming, yeah.

10:03:30:00

Hey, thank you for letting me call you again. Bye bye.

10:03:42:10

That was my support person. I attend this group.

10:03:53:17

I'm really trying.

10:04:09:11

You still wear that necklace.

10:04:23:10

What exactly weren't you able to ask me?

10:04:33:03

My support group is having this family night at the end of the week.

10:04:45:22

There's going to be cake.

10:05:00:05

Probably the world's shittiest birthday gift ever.
