

## Zero Woods of the Wild Place Transcript / Dialogue List

00:00:08:01 – 00:00:13:21

Yeah. Yeah. Are you recording?

00:01:55:02 – 00:02:17:11

She presses the red button.

00:02:23:10 – 00:02:28:19

Can you get all my property, please. Thank you.

00:02:28:20 – 00:02:36:23

Shit. Ugh... Ah, fuck mighty.

00:03:09:12 – 00:03:19:14

Normally when it's a controlled substance he don't, but being that you know you're in a, a little touch place maybe he will give you, I don't know. I don't want to tell you yes if he says no.

00:03:19:14 – 00:03:23:10

But right now, there's nobody there that can help me. I have to wait till tomorrow.

00:03:23:10 – 00:03:28:17

- Did he ever give this prescription to you before?
- Um, not, no.

00:03:28:17 – 00:03:49:17

I ask him if I can use his voicemail after receiving it. He says yes. Then I change it without permission.

00:04:14:20 – 00:04:18:08

- Re, repeat the address one more time for verification, sir.
- I'm sorry, what?

00:04:18:08 – 00:04:22:01

- What, repeat the address for verification
- Yeah, I can't get the gas to turn off.

00:04:22:01 – 00:04:26:21

- Is there any, any fire, any smoke?
- It, it just won't stop and I, the gas is going.

00:04:48:04 – 00:05:12:09

From the other side of the wall, I tell him to stop, but he continues.

00:05:12:09 – 00:05:23:08

So, I just said like ok, call him, I'm going to go anyways, and then when I was trying to go out the door, he, he kind of like grabbed me, and threw me down on the ground and I got up.

00:05:23:08 – 00:05:30:08

And when I was walking, he threw me down on the lawn. That's why I am like so like looking behind me because he freaked me out.

00:05:54:11 – 00:06:18:18

You agree to be recorded and it becomes a record. Later I find it.

00:06:28:18 – 00:06:39:19

Um, and she was screaming and there was some arguing conversations going on, but she was screaming in a way that made me, uh, worried.

00:07:02:18 – 00:07:20:09

Over the years, he leaves repeated messages without response, including a batch of new ones today.

00:07:43:20 – 00:07:47:15

Determine how you will attach the stairs to the existing structure.

00:08:05:20 – 00:08:07:01

Fire. Fire.

00:08:14:03 – 00:08:15:08

Fire. Fire.

00:08:22:06 – 00:08:38:01

How should we be responding?

00:08:24:02 – 00:08:25:07

- Watch your fingers.
- Ok.

00:08:27:13 – 00:08:30:04

- If it doesn't...
- Ok.

00:08:30:04 – 00:08:33:05

- Everybody ready?
- No, hold on.

00:08:33:05 – 00:08:37:02

- Ok, in a minute.
- Um...

00:08:37:02 - 00:08:38:01

On three.

00:08:47:11 – 00:08:52:08

Come over here, I want to talk to you.

00:08:52:08 – 00:08:55:18

Nothing's going on in here.

00:08:55:18 – 00:08:57:23

- (Scream)
- That's what you get, that's what you get.

00:09:23:01 – 00:09:26:22

Here's the deal. He needs to get this house in his name.

00:09:26:22 – 00:09:34:18

Now, take care of the fucking paperwork immediately or I, I swear to God I'm going to go fucking ballistic here, ok?

00:10:19:15 – 00:10:21:08

- You don't hear everything.
- Oh, I do.

00:10:21:08 – 00:10:26:18

- You're not a know-it-all.
- I hear a lot of shit that you think I don't hear, so be careful.

00:10:26:18 – 00:10:29:06

Good thing I got that on video.

00:11:16:19 – 00:11:32:06

If we go somewhere to face the darkness, it might as well be here.

00:12:06:02 – 00:12:07:12

Is this recording?
